

The Most Economical Way To Own A New CUB Initial Investment \$2900.00

Imagine....

- The thrill of owning your own aircraft
- Leaving the cares of the world behind to fly wherever you want
- Being one of the first in the area to own a new CUB
- The excitement of learning to fly within two weeks
- No FAA medical certificate required

Experience The Freedom Of Flight Today!

The CUB Cooperative offers a Win/Win Situation

Similar to a fourplex in real estate, the cooperative owner enjoys a good return on investment and the members enjoy an economical way to fly.

Cooperative Owner: Positive cash flow plus flight benefits (See Spreadsheet for complete details)

Member: 1/4 ownership, initial investment \$2900, low monthly, low hourly

LetsFly.org can turn your dreams of aircraft ownership into reality
